

Act for humanity

We're calling on your school or community group to act for humanity and raise funds to help people experiencing hardship and crisis.

Simply choose your act and raise funds for the life-changing work of Red Cross.

7 acts for humanity

1. Pop-up clothing sale

Clean out your cupboards and create a pop-up shop at school, recycle your clothes and raise funds for Red Cross. It's an act for humanity and an act for the planet too.

6. Get crafty

What arts and crafts are students currently learning? Origami, woodwork, pottery or painting? Their artwork can not only be a masterpiece, but also an act for humanity.

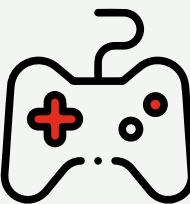

2. Wear red for Red Cross

Everyone loves a casual day – even better when it raises funds to help people get through tough times.

3. Lap-a-thon

The school oval, the pool, the block. Whatever your location, clock up those kilometres and get the school community to sponsor students.

4. Video gaming competition

Gamers will unite to play their hardest and raise money to help others.

5. Food feast

A BBQ, bake sale or morning tea? Get students to display their cooking skills and put on a feast for the school.

7. DIY

Choose your own adventure! Harness the creativity and interests of students and turn it into an act for humanity.
